ABOUT ME

I am an enthusiastic and detail-oriented Full Stack Junior Web Developer with strong foundation in front-end technologies like React, Next.js, and CSS frameworks such as Bootstrap and Tailwind. Eager to contribute my skills in creating responsive and user-friendly web applications. A quick learner, adaptable to new technologies, and committed to staying at the forefront of industry trends.

EXPERIENCE

FULL-STACK WEB DEVELOPER • JANUARY 2022 - PRESENT

Freelance (Self-employed), Miami, Florida.

- Collaborated closely with clients, translating their vision into user-friendly web applications, resulting in a 5% increase in user satisfaction and engagement.
- Developed responsive and visually appealing frontend components using React, Next.js, Bootstrap, and Tailwind CSS, ensuring seamless communication and functionality, thereby optimizing data management and improving overall site performance by 10%.
- Designed and implemented efficient database solutions using MongoDB and MySQL, significantly improving data management on 5% and enabling 10% faster, more reliable access to information.
- Planned and organized project timelines, consistently delivering web solutions on time, meeting or exceeding client expectations, and contributing to positive project outcomes with 95% on-time delivery rate.

BANKING ASSOCIATE • DECEMBER 2022 - PRESENT

TD Bank, Doral, Florida.

- Provided exceptional customer service by assisting clients with transactions, inquiries regarding account balances, transaction history, service charges, interest rates, and problem solution.
- Maintained in-depth knowledge of bank products and services to provide appropriate recommendations to customers.
- Identified opportunities for cross-selling additional banking products and services to clients based on their financial needs.
- Maintained a clean and organized work area, contributing to a professional and welcoming branch environment.
